'At the Home Arts and industries exhibition at the Albert Hall this week there is a stall supplied from Newlyn consisting of work of the Newlyn men under the skilful instruction of Mr R T Dick of Tolcarne. The exhibits comprise clever work in copper, jewellery and enamels. The Robins Bolitho Challenge Shield presented by Mr Bolitho of Trengwainton, to the St John Ambulance Railway Corps, West Cornwall District for annual competition is much admired. It is one of the finest pieces of metal work in the exhibition.
